Dear Member of Knesset,

Please take action to protect the teen-aged journalist, Janna Jihad. Because of her efforts to document oppressive living conditions in her West Bank community, she has been harassed and her life has been threatened.

Israel must live up to its responsibilities as a signatory of the Convention on the Rights of the Child. That includes safeguarding young Palestinians in the West Bank.

I call on you to uphold human and civil rights throughout Israeli-administered territory.

Sincerely,
